

目 录

1. 右侧侧图.....	2
2. 左侧侧图.....	3
3. 国家介绍.....	4
4. 地区介绍.....	6
5. 路线指南.....	8
6. 开始游戏按钮.....	11

1. 右侧侧图

图片位置 `> gfx > welcome > Side_Picture`

注册位置 `interface > welcome.gfx`

模板（在图片位置） `开局gui侧图.psd`

动态本地化 `common > scripted_localisation > adorable_heart_welcome.txt`

```
defined_text = {
    #侧图
    name = GET_Welcome_Window_Picture
    text = {
        trigger = { tag = SOV }
        localization_key = GFX_SOV_Side_Picture
    }
    text = {
        trigger = { tag = GER }
        localization_key = GFX_GER_Side_Picture
    }
    text = {
```

2. 左侧侧图

图片位置 `gfx > welcome > button >` (每个 tag 独立文件夹)

注册位置 `interface > welcome.gfx`

模板 (在图片位置) 开局gui按钮.psd

动态本地化 `common > scripted_localisation > adorable_heart_weicome.txt`

```
defined_text = {  
    #国家介绍-按钮  
    name = GET_Country_History_Button_Picture  
    text = {  
        trigger = { tag = SOV }  
        localization_key = GFX_Country_History_Button_SOV  
    }  
    text = {  
        trigger = { tag = GER }  
        localization_key = GFX_Country_History_Button_GER  
    }  
}
```

```
defined_text = {  
    #地区介绍-按钮  
    name = GET_Local_History_Button_Picture  
    text = {  
        trigger = { tag = SOV }  
        localization_key = GFX_Local_History_Button_SOV  
    }  
    text = {  
        trigger = { tag = GER }  
        localization_key = GFX_Local_History_Button_GER  
    }  
}
```

```
defined_text = {  
    #世界介绍-按钮  
    name = GET_World_History_Button_Picture  
    text = {  
        trigger = { tag = SOV }  
        localization_key = GFX_World_History_Button_SOV  
    }  
    text = {  
        trigger = { tag = GER }  
        localization_key = GFX_World_History_Button_GER  
    }  
}
```

```
defined_text = {  
    #路线介绍-按钮  
    name = GET_Route_Guide_Button_Picture  
    text = {  
        trigger = { tag = SOV }  
        localization_key = GFX_Route_Guide_Button_SOV  
    }  
    text = {  
        trigger = { tag = GER }  
        localization_key = GFX_Route_Guide_Button_GER  
    }  
}
```

3. 国家介绍

小标题:

common > scripted_localisation > adorable_heart_weicome.txt

```

defined_text = {
    #国家介绍-小标题1
    name = GET_Country_History_Button_01
    text = {
        trigger = { tag = SOV }
        localization_key = SOV_his_page_01_title
    }
    text = {
        trigger = { tag = GER }
        localization_key = GER_his_page_01_title
    }
    text = {
        trigger = { tag = FRA }
        localization_key = FRA_his_page_01_title
    }
}

defined_text = {
    #国家介绍-小标题2
    name = GET_Country_History_Button_02
    text = {
        trigger = { tag = SOV }
        localization_key = SOV_his_page_02_title
    }
    text = {
        trigger = { tag = GER }
        localization_key = GER_his_page_02_title
    }
    text = {
        trigger = { tag = FRA }
        localization_key = FRA_his_page_02_title
    }
}

defined_text = {
    #国家介绍-小标题3
    name = GET_Country_History_Button_03
    text = {
        trigger = { tag = SOV }
        localization_key = SOV_his_page_03_title
    }
    text = {
        trigger = { tag = GER }
        localization_key = GER_his_page_03_title
    }
    text = {
        trigger = { tag = FRA }
        localization_key = FRA_his_page_03_title
    }
}

```

文本：

(adorable_heart_weicome.txt)

```

defined_text = {
